A white heron like a light will spread her wings  
and within them the sun will rise.

## Light One Candle

Light one candle for the Maccabee children, give thanks that their light didn't die;  
Light one candle for the pain they endured, when their right to exist was denied;  
Light one candle for the terrible sacrifice, justice and freedom demand;  
Light one candle for the wisdom to know, when the peacemaker's time is at hand.

Light one candle for the strength that we need, to never become our own foe;  
Light one candle for those who are suffering, the pain we learned so long ago;  
Light one candle for all we believe in, let anger not tear us apart;  
Light one candle, to bind us together, with peace as the song in our heart.

What is the memory, that's valued so highly, that we keep alive in that flame;  
What's the commitment to those who have died, when we cry out they've not died in vain  
We have come this far, always believing that justice will somehow prevail;  
This is the burden, this is the promise, and this is why we will not fail.
