

# Please Share Your Harvest with the Harvey Kornblum Jewish Food Pantry!

This summer the Harvey Kornblum Jewish Food Pantry would welcome a donation of home-grown fruits, vegetables or herbs from your garden.

The guidelines for donating garden food are simple:

- If possible drop off produce on Tuesdays, from 8:30am to 5pm.
- If you can't come during those hours please call the pantry ahead of time at 314.812.9309 to tell them when you are coming.
- Deliver your donation to the pantry during its designated hours for accepting food.
- All donations must be fresh and undamaged homegrown fruits or vegetables. Do not donate what you yourself would not enjoy eating.

Thank you! Any questions or ideas please contact Sue Rundblad, Program Coordinator-Community Outreach of the Harvey Kornblum Jewish Food Pantry at 314.812.9307.
