Yizkar Book

High Holidays 5783

To our beloved CRC community,

Yizkor is the name of both a specific prayer and the service during which it's recited. The word means "memorial" and is based on the Hebrew word zachor—to remember. There are four Yizkor services throughout the year. The Yom Kippur services began as a memorial to those Jews killed during the Crusades of the 12th Century. During the 18th century, a Yizkor service was added to the three pilgrimage festivals of Pesach, Shavuot, and Sukkot. It is held during the 8th day of both Pesach and Sukkot and on the second day of Shavuot. In addition to offering the memorial prayers, Yizkor is also observed by giving tzedakah in memory of our loved ones.

Standing shoulder to shoulder, we offer support to our mourners and dare to celebrate life even in the face of death and promise that our beloved's lives will be a blessing because we remember them.

Rabbi Susan Talve

To our dear members and friends,

We know that the High Holidays can be an especially tender time to mourn the loss of a loved one. As a staff, we work hard to be sensitive and ensure accuracy of our Yizkor booklet.

If you have an edit or update, please email angela@centralreform.org.

Thank you for joining us in whatever way you feel comfortable this year. We are honored to start the new year and celebrate the lives of our loved ones as a caring community.

May their memories be a blessing to all who knew them.

With love,
The CRC Staff

I truly consider it a privilege and an honor to facilitate CRC's Grief Group. Every other week, we come together to support one another by listening, and allowing for genuine feelings. We create a safe space for people to talk about their struggles after they have experienced a death, or if they are anticipating an impending death. Some thoughts from current grief group members best describe the grief group experience:

Grief Group is a community of people who are compassionate and accepting

I feel safe enough to share my thoughts and experiences, and I feel connected to others who can understand so much of what I'm going through.

I came to the Grief Group when I knew I was emotionally in trouble. I'm still deeply grieving, 4 1/2 years later, but I'm not in trouble anymore. And because of the group, I REALLY know it's okay that I'm still grieving and I don't have to pretend when life isn't quite as sweet as it used to be.

CRC's Grief Group has helped me through several significant losses by providing a safe and constructive space in which to share experiences and feelings.

Hearing what others experience is particularly helpful given a culture that is not always comfortable with dying, death, and grieving.

I have learned different approaches to thinking and coping strategies that have been helpful to me.

The events that bring members to the group may be different, yet we discover we have many experiences and feelings in common. Confirmation for my own feelings has helped me heal.

If you are thinking about attending Grief Group, please contact me at sentnor@sbcglobal.net.

May the new year bring you blessings and comfort.

B'Shalom,
Jamie Sentnor
