Eshet Chayil

A woman of valor
Who can find?
For she is worth more than fine pearls.
Her husband trusts that with her he will be complete, for she does him good, never harm all the days of her life.
She knows that her labor is rewarding, a blessing, for all.
Her candle burns on into the night.
She reaches out to those in need of her wisdom, her generosity and her hands are always extended to the poor.
She is clothed in strength and dignity, and she faces the future no matter what the challenge, without complaint, without asking, "why me?" with hope in tomorrow.
She speaks with wisdom and kindness on her lips.
Her children and all of their friends, rise up and praise her; her husband adores her with wonder and gratitude.
Many daughters, sisters, friends, many woman have done valiantly, but you, dear Pat, rise above.

(from Proverbs 31)
